RE: Conference Sponsorship Opportunities

Dear Members and Partners,

As we prepare for NCADDHM 2020 Virtual Conference, scheduled for September 22-23, we want to share with you the conference sponsorship opportunities. This year, we have two sponsorship levels:

Sponsorship Level 1: \$200 Sponsorship allows your organization to submit a 1-3-minute video introducing your mission and services. The video will be posted on our conference webpage and will be shared in our social media postings. NCADDHM will mention our sponsors throughout the conference.

Sponsorship Level 2: \$500 Sponsorship allows your organization to submit a 1-3-minute video introducing your mission and services. The video will be posted on our conference webpage and will be shared in our social media postings. Your organization will also have a minute to engage breakout groups directly during the live conference. NCADDHM will mention our sponsors throughout the conference.

Mindful of the COVID-19 pandemic and its economic impact on our ministries, NCADDHM will use 75% of its sponsorship revenues to provide conference scholarships to our membership. We remain grateful for your generosity and collaboration. To learn more about our conference, please visit. (<https://ncaddhm-usa.org/2020-virtual-conference/>). For questions, contact Lia Salinas at Lia.Salinas@archbalt.org.

¡Soy yo!
