OUR STORY

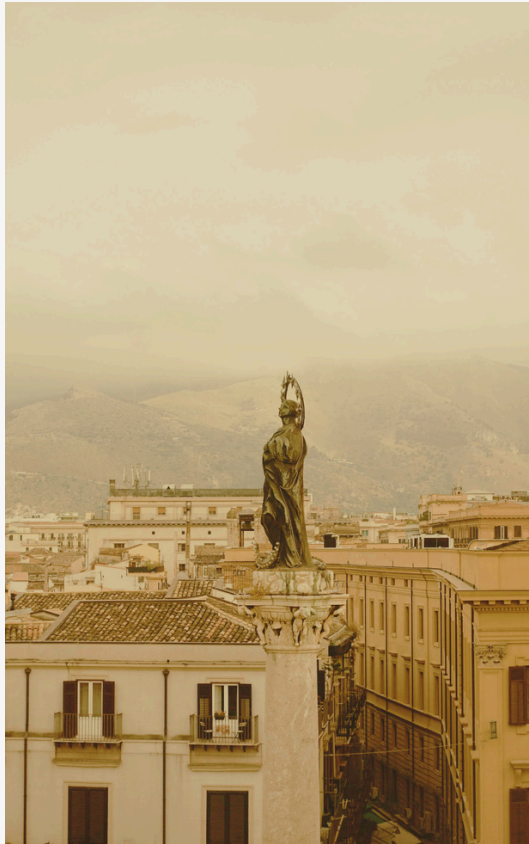

For 30 years, NCADDHM has been providing support to current and future diocesan leadership serving the Hispanic community in the Roman Catholic Church by providing networking opportunities, mentoring and best practices in the field of Hispanic ministry.

OUR MISSION

The purpose of our association is to create a ministry of collaboration. We engage in reflection and planning of Hispanic Ministry and provide continuing formation for diocesan directors serving in the United States. We provide assistance to our members while finding mutual support, recognition and acceptance. We develop a common ministerial vision while supporting the “Memoria Histórica” of the Encuentros.

OUR CONFERENCE

NCADDHM’s annual conference in Miami Florida will convene over 150 national (arch) diocesan, institutional and university leaders from across the United States. Sponsors and exhibitors will have the opportunity to interact and dialogue with this leadership that are committed to Hispanic/Latino ministry in their regions.
